

**Free Informational Seminars**

The initial step in our program process is to attend one of our FREE bariatric informational sessions. Our bariatric team will provide information on the surgeries offered, and provide time for questions and answers.

1st Thursday of every month from 5:30-7pm (Edwardsville)

3rd Monday of every month from 5:30-7pm (Scranton)

To Register, visit:

**Support Group Meetings**

Location: Thomas Saxton Auditorium

Meeting times: 6pm - 7pm Last Thursday of every month

To address our commitment to quality follow up care, we offer a free monthly support group. We welcome all interested persons to these informal group sessions, whether you have had, or are considering weight loss surgery, or you may just be looking for an opportunity to speak to others who have already gone through the procedure.

These intimate group sessions allow time for personal sharing, encouragement, and education. It is a good way to establish a network of resources. Support group attendance has been shown to directly increase the chances of short and long-term patient success following weight loss surgery.
